PREFACE

The contents of this volume, which has been prepared to accompany the "History of the First Presbyterian Church," High Point, North Carolina, 1859-1959, are divided into three parts.

Part I is the index of the History. Wherever possible the compiler has striven to list complete names rather than initials only. Husband's names have been added and cross-referenced with the bride's maiden name.

Part II is a listing of communicants for the first 75 years - 1859 through 1934. Compiled by the author of the History, Octavia Jordan Perry and her husband Charles Wesley Perry, the listing was originally compiled prior to 1934 for inclusion in a history for the first 75 years. Financial conditions of the church prohibited its publication at that time. The researcher will note that a separate alphabetical listing is included for each pastor during the period from 1859 through 1934.

Part III includes brief biographies of some of the leaders of the First Presbyterian Church, High Point, North Carolina, in 1934. Compiled by Mr. & Mrs. Perry these biographies were also intended for inclusion in a history for the first 75 years.

Authorization to contribute copies of the printed "History of the First Presbyterian Church," High Point, North Carolina, 1859-1959, to genealogical libraries throughout the United States has been granted to me by the Session of that church. All time and expense involved in the issuance of the mimeographed book containing an Index, List of Communicants and Brief Biographies relative to the above named book is a contribution of the compiler and is dedicated to all those who find searching for ancestors a tedious and sometimes unrewarding hobby without the aid of an index.
